BODYPUMP™ is a barbell workout using light to moderate weights and high reps to get you lean and toned. You’ll work all your major muscles as you build strength and burn calories, getting fitter, faster.

BODYCOMBAT™ is a mixed martial arts-inspired workout that fuels cardio fitness and defines and strengthens your whole body. You’ll feel empowered and in control as you build phenomenal core strength.

BODYBALANCE™ is the yoga, tai chi and Pilates workout that helps you build your flexibility and core strength while reducing stress and focusing your mind to create a lasting sense of wellbeing.

BODYATTACK™ is a high-energy, athletic workout focused on cardio fitness, muscle endurance and agility. It combines sports-inspired training like running, lunging and jumping with strength exercises.

RPM™ is a cardio peak cycle workout that burns calories and improves cardio fitness. Find your rhythm in the music, set your own resistance level and hit an endorphin high.

BODYSTEP™ is an athletic and uplifting step workout that increases your cardio fitness and conditions your whole body, pushing it into high gear to burn calories and build functional strength.

LES MILLS TONE™ combines strength, cardio and core exercises in one complete workout. It's an all-in-one functional fitness mix that gives you the freedom to work out at your own intensity.

BODYJAM™ is a totally unique dance experience. It mashes up fresh choreography with the world's most cutting edge music, creating a high-energy cardio workout that burns calories and blows out stress.

Want a dance workout that gives more than it takes? SH'BAM™ is the cheeky and cool dance workout where anything goes and everything is encouraged! It’s over in no time, and leaves you feeling better than it found you – inside and out!

CXWORX™ is an intense core workout for functional fitness. It's scientifically designed to build strength, stability and endurance in the muscles that support your core, including the abs, glutes and back.

LES MILLS BARRE™ is a modern version of ballet training, designed to shape and tone postural muscles, build core strength, and allow you to escape the everyday. It combines cardio with high-rep strength exercises.

THE TRIP™ is a fully immersive experience, combining a multi-peak cycling workout and a cinematic journey through digitally-created worlds. It takes motivation and calorie burn to the next level.

LES MILLS SPRINT™ is a High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. It's a short, intense style of training that pushes your physical and mental limits.

LES MILLS GRIT™ Strength is a 30-minute high-intensity interval training (HIIT) workout, designed to improve strength, cardiovascular fitness and build lean muscle. This workout uses barbell, weight plate and bodyweight exercises to blast all major muscle groups.

BORN TO MOVE™ enables children to experience the vitality and joy that comes from moving to music – and in turn, nurtures a life-long love of physical activity. Each of the five different BORN TO MOVE™ programs is optimized for a specific age group and their core developmental stage, to suit both early years and school years.
